# PROGRESS CHENANGO

## Making Chenango County a better place to live

We can wait for the future—or we can start building it today. So, how are Chenango County's communities preparing for success? How are they gearing up for the challenges and opportunities that lie ahead? Are you interested in learning more about the key businesses and organizations shaping the future of Norwich, Sherburne, Greene, Oxford, Bainbridge, New Berlin, the Otselic Valley, and the other towns that make up Chenango County? From February 3 to February 7, 2025, The Evening Sun will present our annual Progress series, a longstanding tradition that captures the spirit of our community for the past year. This year's theme, "Progress: A Brighter Tomorrow," explores how organizations and public resources are being developed and invested through infrastructure, workforce, housing and public services to enhance the local quality of life. Progress will be included as part of the regular newspaper, with each day's edition featuring additional pages filled with business insights from across the county. Delivered at no extra charge to readers and available as keepsake sections, Progress serves as both an in-depth community resource and a valuable snapshot of the county's progress. Our readers and advertisers are vital partners of independent, local journalism. We are grateful for your continued help in keeping Chenango County informed and connected. What is Progress Chenango? Progress Chenango is an annual publication by The Evening Sun that highlights the advancements, challenges, and stories of resilience in Chenango County. Featuring insights from local business owners, representatives, and community leaders, this special edition provides a comprehensive look into what's changing and evolving in our region. Designed as a keepsake, Progress Chenango captures voices from the community and offers a year-round perspective on local progress.

**Join the Norwich Family YMCA "FitLife Program" today!**

The YMCA will be offering the "Fit Life Program" beginning January 13, 2025. This program is a highly effective nutrition, fitness and improved body composition program for peak health. The cost is only \$70 for Y Members (\$70 plus monthly membership for non-members). That's only \$1.00 a day for ten weeks of guided nutrition and fitness coaching!

All who join the program will be given a complete body composition measurement which includes body weight, body fat, skeletal muscle, BMI and inches. Another body comp is done at the five-week mark, and again at the end, so participants can clearly see their progress and results.

We use a fun and simple way to track nutrition, calories, and optimal food choices. We know simple food tracking is proven to help people learn to make better nutritional choices. Participants are given detailed feedback at the end of each week, or as much assistance as they'd like, all the way through the program, said program assistant director Pat Dietrich.

It's important to note that participants will have complete and constant access to fitness trainers every day. The Y offers a wide variety of fitness classes that are guaranteed to improve muscular tone and strength, as well as increased cardio capacity. Trainers will help participants establish the most effective balance of strength and cardio training, all while offering many choices for every level of fitness, said Health and Fitness Director, Shannon Gawronski.

This program can be transformative for those who want to feel, look and be a healthier version of themselves! Registration for the Fit Life Program begins today! Simply register at the YMCA Front Desk. ➡
