Mount Fuji is classified as a stratovolcano, formed over hundreds of thousands of years through the gradual accumulation of lava and ash. The mountain we see today is actually a composite of three separate volcanoes, formed one on top of the other. This process has resulted in a beautifully symmetrical mountain that is one of the most iconic landmarks in the world.

The background of the entire page is a vibrant red with a fine, woven texture. Scattered across this background are various festive holiday items: green pine branches with needles, red and white striped candy canes, red and white checkered Christmas ornaments, and solid red ornaments. In the top left corner, a gift is wrapped in white paper with a green ribbon and a gold star. In the bottom left, another gift is wrapped in white paper with red stars and a green ribbon, also with a gold star. In the bottom right, a third gift is wrapped in white paper with red Christmas tree patterns and a green ribbon. The main title 'Holiday GIFT GUIDE' is centered. 'Holiday' is in a blue cursive font with a white outline. 'GIFT' and 'GUIDE' are in a large, white, serif font with a thick blue outline and a slight drop shadow.

Test Your Knowledge Of Popular Christmas Movies

Watching Christmas movies is a holiday tradition for many families. So much so that lines from popular movies are easily remembered and recognized. Those who can recite movies verbatim might enjoy testing their mettle with the following Christmas quiz loaded with memorable quotes from some holiday classics.

Movie Quotes Quiz

1. "It came without ribbons. It came without tags. It came without packages, boxes or bags."
2. "Uh, since the United States Government declares this man to be Santa Claus, this court will not dispute it. Case dismissed."
3. "If TV has taught me anything, it's that miracles always happen to poor kids at Christmas. It happened to Tiny Tim, it happened to Charlie Brown, it happened to The Smurfs, and it's gonna happen to us!"
4. "I want an official Red Ryder, carbine action, 200 shot range model air rifle."
5. "Bless this highly nutritious microwavable macaroni and cheese dinner and the people who sold it on sale. Amen."
6. "Iris, in the movies, we have leading ladies and we have the best friend. You, I can tell, are a leading lady, but for some reason, you're behaving like the best friend."
7. "Who gave you permission to tell Charlie there was no Santa Claus? I think if we're going to destroy our son's delusions, I should be a part of it."
8. "I want to wash my hands, my face, my hair with snow."

9. "We're not just doing this for us. We're doing it for the kids. For every kid who ever sat on Santa's lap. For every little girl who left cookies and milk for Santa on Christmas night. For every little boy who opens a package Christmas morning and finds clothes instead of toys. It breaks my heart."
10. "We all know that Christmas is a big commercial racket. It's run by a big Eastern syndicate you know."
11. "I fear you more than any spectre I have seen. But as I know your purpose is to do me good, and as I hope to live to be another man from what I was, I am prepared to bear your company, and do it with a thankful heart. Will you not speak to me?"
12. "Seeing is believing, but sometimes the most real things in the world are the things we can't see."
13. "Light the lamp, not the rat, light the lamp, not the rat! Put me out, put me out, put me out!"
14. "Tell me something, Billy. How come a cute little guy like this can turn into a thousand ugly monsters?"
15. "Wanna see some magic? OK, let's watch you disappear!"
16. "That's not 'my' Christmas! 'My' Christmas is filled with laughter, and joy... and this: my Sandy Claws outfit. I want you to make it."
17. "That's neither pig nor pork, it's beef."
18. "I passed through the seven levels of the Candy Cane forest, through the sea of swirly twirly gum drops, and then I walked through the Lincoln Tunnel."

1. "The Grinch Who Stole Christmas" 2. "Miracle on 34th Street" 3. "The Simpsons Christmas" 4. "A Christmas Story" 5. "Home Alone" 6. "The Holiday" 7. "The Santa Clause" 8. "The Polar Express" 9. "The Muppet Christmas Carol" 10. "A Charlie Brown Christmas" 11. "A Christmas Carol" 12. "The Polar Express" 13. "The Muppet Christmas Carol" 14. "Gremlins" 15. "Bad Santa" 16. "The Nightmare Before Christmas" 17. "Babes in Toyland" 18. "Elf"

5 fun gift
exchange ideas

Gift-giving is a significant component of the holiday season. Families can embrace traditional gift-giving, but those who want to add a touch of whimsy to gatherings with loved ones can consider these five creative and fun ways to exchange gifts.

- 1. Play the plastic wrap game.** To exchange small stocking stuffer gifts, compile gift cards, cash, small toys, candy, and even some larger gifts (all participants can chip in and one person shops for the gifts). The designated person in charge begins rolling up the gifts in the plastic, adding one every few rolls. Turning the ball 90 degrees while wrapping helps make a more round, finished gift ball. To play, the person with the ball puts on oven mitts and tries to unwrap as much as they can to access the gifts, while the person to the left is attempting to roll doubles on dice. When doubles are made, that person passes the dice to the left and starts his or her own attempts to get at the gifts in the plastic ball. The game ends when all the gifts are revealed, whether everyone has had a chance to unwrap or not.
- 2. Plan a white elephant gift exchange.** A white elephant exchange is like a secret grab bag. Everyone brings a wrapped gift, and then takes turns choosing a gift based on the number they've been given. When the gift is chosen, the person opens it. The next player can select a fresh gift or steal one of the presents that's already been opened.
- 3. Host a make-and-take craft party.** With this type of exchange, participants will engage in some form of crafting for the duration of the event, whether it's pottery, painting, epoxy resin pouring, or even knit crafts. At the end of the night everyone can swap their creations with another or keep their own crafts as gifts.

HOLIDAY GIFT GUIDE

- 4. Give the gift of a group outing.** Instead of exchanging material gifts, focus on sharing experiences with friends and family. A trip to watch a sports game or a theater performance can be an excellent way to spend time together, and something a person may not be inclined to do on his or her own. Certain venues will offer discounts on group tickets, so everyone can pool their resources.
- 5. Host a DIY cookie and cocoa exchange.** Cookies, cocoa and the holidays are a perfect combination. A gift exchange where participants supply ingredients for these sweet treats, share their favorite recipes and then put together the finished products can make for an entertaining and festive afternoon. Each person can fill a cookie tin with baked cookies to take home and mason jars filled with homemade hot cocoa mix and marshmallows can be an additional gift to enjoy later on a chilly evening. There are plenty of fun ways to exchange gifts during the holiday season. GG249266

Holiday shopping
tips you can't
afford to miss

The festive and fun nature of the holiday season can make it easy to forget the benefits of being frugal. Many people go overboard on holiday spending, making this time of year costly for consumers. Sales between the beginning of November 2023 and Christmas Eve 2023 climbed 3.1 percent from the year earlier, according to the Mastercard SpendingPulse. The National Retail Federation reported in November 2023 that holiday spending was expected to reach between \$957 and \$966 billion. Trading Economics, a financial market indicator and forecast provider, said personal spending in the United States only rose 0.2 percent in May 2024 from the previous month, which marked the lowest increase since January 2024.

Shoppers who want to spend less and stick to a budget for holiday entertaining and gifting can keep these budgeting tips in mind.

- Set a value to gift recipients. It may sound harsh, but certain people on holiday shopping lists may be assigned a higher value than others. For example, you wouldn't necessarily spend the same amount on a gift for a child's teacher as you would for a grandmother. Putting a dollar figure next to each name on the shopping list helps you identify your expected spending and where you can cut back, if necessary.
- Establish your overall budget. Once you have an idea of your potential holiday expenditures, set a firm budget. Avoid the temptation of impulse buys, which can make it easy to go over budget.
- Begin shopping early. Start scouring ads and looking for deals prior to Thanksgiving or Black Friday. Keep a running list of gift ideas and when the price is right, purchase those items.
- Price check "perfect gifts." If you've spotted the perfect gift for someone but it's beyond budget, see if you can find a better price elsewhere, says

HOLIDAY GIFT GUIDE

Better Money Habits. There are apps that allow users to scan barcodes and check items across various retailers. Many stores also have price-match policies that can save shoppers money.

- Look for deals all of the time. Many people get hung up on perceived deep discounts from Black Friday and Cyber Monday offers. However, industry experts say there often isn't a huge difference in markdowns between these promotions and those during other sales. Some retailers even increase prices on goods only to mark them down for Black Friday to make it appear that there is a discount. Only by knowing the average price for items can you know if a sale is legitimate.
- Sign up for store rewards. If you don't want your regular email inbox inundated with offers, set up a separate email account for in-store and online shopping. Then you can sign up for the rewards programs at checkout. Utilize the coupon codes and advertisements for sales to save money without having your primary email data shared with other marketers.
- Track spending carefully. If you don't know how much you're spending, then you cannot possibly stick to a budget. After each purchase, keep a running tally of all holiday spending to see how far you are from the finish line.

The holidays can be expensive, but with smart budgeting and dedication to savvy shopping, it's possible to stay out of financial trouble. GG249250
