Local Vendor of the Week: CLARK'S FAMILY DAIRY - Delhi, NY

They supply us with Whole, 2% And Chocolate Milk. Also Heavy Whipping Cream, 1/2 & 1/2 and Seasonal Egg Nog

A dairy family, five generations strong. Over 100 years ago, in 1907, Peter Clark founded Clark Farms on Elk Creek Road in Delhi, NY. Many of the original buildings are still used today, with the addition of a few more over the past century as the farm has grown. Kyle Clark, the 5th generation, returned from college and dedicated several years of research and hard work to resurrect the old creamery that once stood on the farm. Clark Farms Creamery opened as a fully functioning 21st century dairy lab in the winter of 2020. Today, they continue to aim to provide the freshest dairy products to the Catskills.

DANGER ZONE

Every year, accidental poisonings result in the deaths of too many young children. Often, everyday household cleaning products and chemicals are the cause. Take these steps to protect your child against accidental poisoning.

Poison Prevention Guidelines for Household and Chemical Products

- Keep chemicals and household products out of the sight and reach of children.
- Buy household products in child-resistant containers and keep products in their original packaging.
- Store food and household products in separate areas.
- Don't allow distractions to prevent you from being watchful when using household chemicals.

LOOKING FOR AN AFFORDABLE USED CAR?
