## Houseplant Tip

It's important to watch houseplants closely. According to gardenguides.com, an online gardening resource, you should inspect plants regularly for yellowing or discolored leaves. This condition is usually caused by overwatering, but can also be the result of insects. Deformed plants and sticky deposits on leaves and stems can be caused by insects as well.

*"Homes don't sell for top dollar by accident. They sell because of how they're presented."*

**Before you hire an agent, ask this:**  
*Is your home going to be strategically marketed—or just put on the MLS and hoped for the best?*

### I work with sellers who want:

- Professional photography that attracts serious buyers
- Strong online presentation, including virtual tours
- Smart pricing based on strategy, not emotion
- Clear communication from prep to closing

*Your home is one of your biggest assets. It deserves more than a sign in the yard.*

## Best of Chenango County WINTER SPORTS

**2025-26**

Many of our Chenango County high school sports teams and athletes have once again performed to an exceptional level during the 2025-2026 season.

A season ago The Evening Sun published a four-section special insert that promoted our star athletes and teams who either reached a major milestone, won a championship or broke a school record within that respective sport.

In April, we will once again profile the best athletes and teams our County has to offer with our 2025-2026 Best of Chenango County Winter Sports!

The special section will include large color photos of our star athletes and teams as well as detailed summaries explaining extraordinary achievements along with quotes from our athletes and coaches.

This type of sports coverage can only be found at The Evening Sun and we take great pride in presenting this once-a-year publication that summarizes the best our winter sports has to offer.

## Tradesmen, Cattle Dealers, and Chemists Chenango County's Jewish Community from 1914-2025

**April 13, 2026, 6:30 PM**

**Guernsey Memorial Library**

*Presentation by Dr. Edward Erickson*

In 1970s the Jewish community of Norwich, New York was a large, vibrant, and a powerful force in the city and county, with over sixty large families. In 2026, only a dozen small families and individuals remain.

There were three waves of Jewish families to Chenango County, the earliest was

1900-1930 and were Eastern European Jewish tradesmen; the second was 1937-1941 of southern German farmers and cattle dealers; the third wave was 1945-1975, and comprised Jewish manufacturers and educated professionals, who were mostly native-born. The loss of manufacturing and the decline of dairy farming, between 1970-2009, tore the heart out of Norwich's Jewish community.

Join historian Ed Erickson as he describes the story of a once influential community. A short Q & A will follow the presentation.

### LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.

# TAX GUIDE

## The Right to Challenge the IRS's Position and Be Heard

Taxpayers have the right to raise objections and provide additional documentation in response to formal IRS actions or proposed actions, to expect that the IRS will consider their timely objections and documentation promptly and fairly, and to receive a response if the IRS does not agree with their position.

### What This Means for You

- If you submit documentation or raise objections during an examination, and the IRS does not agree with your position, it will issue a statutory notice of deficiency explaining why it is increasing your tax, which gives you the right to petition the U.S. Tax Court prior to paying the tax. IRC § 6212
  - If you are an individual taxpayer eligible for Low Income Taxpayer Clinic (LITC) assistance (generally your income is at or below 250% of the federal poverty level), the IRS may provide information to you about your eligibility for assistance from an LITC. IRC § 7526
- For more information, see IRS Publication 4134, Low Income Taxpayer Clinic List. Or find an LITC near you.

• If you are notified by the IRS that it has adjusted your return because of a mathematical or clerical error, you have 60 days to tell the IRS that you disagree. If the IRS is not persuaded, it will issue you a Statutory Notice of Deficiency proposing a tax adjustment. This notice provides you with a right to challenge the proposed adjustment in Tax Court by filing a petition within 90 days of the date of the notice (150 days if the notice is addressed to a person outside the United States), without first paying the proposed adjustment. IRC § 6213(b)

For more information about the United States Tax Court, see the Court's taxpayer information page.

• Immediately after the IRS files a notice of federal tax lien in the appropriate state filing location, the IRS must generally provide you with an opportunity for a hearing before an independent IRS Appeals/Settlement Officer. At that hearing, you can raise alternatives to the IRS's collection action and may even be able to challenge whether you actually owe the tax. If you disagree with Appeals' determination, you can go to Tax Court. IRC § 6320

For more information about the United States Tax Court, see the Court's taxpayer information page.

• Before the IRS takes its first enforcement action to collect a tax debt by levying, for example, your bank account, the IRS must generally provide you with an opportunity for a hearing before an independent IRS Appeals/Settlement Officer. At that hearing, you can raise alternatives to the IRS's collection action and may even be able to challenge whether you actually owe the tax. If you disagree with Appeals' determination, you can go to Tax Court. IRC § 6330

For more information about the United States Tax Court, see the Court's taxpayer information page.
