# RED LIGHTS MEAN STOP!

**DID YOU KNOW:**  
An estimated 50,000 motor vehicles illegally pass New York State school buses every day.

### THE LAW SAYS:

- It is illegal - and very dangerous - to pass a stopped school bus when the large red lights located on top of the bus are flashing. Flashing lights mean the bus is picking up or discharging students.
- You must stop whether you are approaching the school bus from the front or overtaking it from the rear.
- You must always stop for flashing red lights, even on divided and multilane highways and on school grounds.
- The first-time fine for illegally passing a school bus is a \$250 to \$400 fine, 5 points on your license, and/or possibly 30 days in jail.
- Worse yet, the memory of hitting or killing a child may be one you carry for the rest of your life!

**Yellow lights mean the bus is going to stop. Slow down!  
Red lights mean students are getting on or off the bus.**

**Houseplant Tip**

It's important to watch houseplants closely. According to gardenguides.com, an online gardening resource, you should inspect plants regularly for yellowing or discolored leaves. This condition is usually caused by overwatering, but can also be the result of insects. Deformed plants and sticky deposits on leaves and stems can be caused by insects as well.

## The 48th Annual Fall Antiques In Schoharie

The plans are set, the dealers are signing up and we are excited to be back at the Schoharie Valley Railroad Complex at 143 Depot Lane in the Village of Schoharie, NY. On the weekend of September 28 and 29, Schoharie Colonial Heritage Association (SCHA) will once again be hosting our annual 48th Fall Antique Show.

Antique dealers from Connecticut, Vermont, New Hampshire and New York will be bringing their treasures. Visitors will find quilts and blankets, jewelry, antique furniture, stoneware, oriental rugs, glass and china, baskets and bowls, and collectibles of every kind. Special heritage crafters have also been invited—the broom maker, the candle maker, the potter, the candy lady and more.

The Schoharie Valley Railroad Complex backdrop is certainly one of the most unique to visitors. The Railroad Museum's 1865 Station House and 1891 passenger car of the Middleburgh & Schoharie Railroad will be open to the public. The freight shed, which houses all kinds of railroad memorabilia, including a restored 1917 Delaware & Hudson Railway caboose, will also be open to show-goers.

The volunteers of SCHA are most anxious to present yet another special show for all. Our buildings and grounds will be filled with quality dealers who show and sell treasures from our past.

The cooks of SCHA have put together another scrumptious selection of picnic items with our famous homemade desserts should you want a great lunch under our picnic tent.

Proceeds from the antique shows fund the ongoing historic activities of the Schoharie Colonial Heritage Association. Mark your calendar: Saturday, 9/28 from 10-5 and Sunday, 9/29 from 11-4. Admission \$6. There is plenty of free parking. Call for further information, 518-295-7505. ▶
