# Great Getaways

Take advantage of this summertime opportunity to reach day trippers, weekend warriors and out-of-area visitors looking for fun things to do in our areas.

This summer, families right here in our own backyards will be looking for things to do and places to go that are more affordable, involve less long-distance travel, but are still enjoyable and exciting. Make sure to promote your business in Great Getaways by calling My Shopper at 800-767-7862 today!

**The Schoharie County Emergency Food and Shelter Program Board Has Been Awarded Federal Funds Made Available Through the Department of Homeland Security (DHS)/federal Emergency Management Agency Under The Emergency Food and Shelter National Board Program.**

Schoharie County has been chosen to receive \$12,477 to supplement emergency food and shelter programs in the county.

The selection was made by a National Board that is chaired by the U.S. Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from American Red Cross; Catholic Charities, USA; National Council of the Churches of Christ in the USA; The Jewish Federations of North America; The Salvation Army; and United Way Worldwide. The Local Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

A Local Board made up of (United Way, et al.) will determine how the funds awarded to Schoharie County are to be distributed among the emergency food and shelter programs run by local service agencies in the area. The Local Board is responsible for recommending agencies to receive these funds and any additional funds made available under this phase of the program.

Under the terms of the grant from the National Board, local agencies chosen to receive must:

- 1.) be private voluntary non-profits or units of government,
- 2.) be eligible to receive Federal funds,
- 3.) have an accounting system,
- 4.) practice nondiscrimination,
- 5.) have demonstrated the capability to deliver emergency food food/and or shelter programs, and
- 6.) if they are a private voluntary organization, have a voluntary board. Qualifying agencies are urged to apply.

The Schoharie County Emergency Food and Shelter Program Board has distributed Emergency Food and Shelter Funds previously with Schoharie County Community Action Program and Catholic Charities of Delaware, Otsego, and Schoharie Counties participating. The organizations were responsible for providing nutrition assistance, homeless prevention, and utility assistance to Schoharie County residents.

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds must contact Pastor Raymond Richards, Schoharie County Emergency Food and Shelter Program Board Chair at 518-231-5098 or via email at [pastorray@cagcobleskill.org](mailto:pastorray@cagcobleskill.org) for an application.

**The deadline for applications to be received is Saturday, May 27, 2024.**

## MICHAEL'S AUCTION SERVICE

Presents

# A DOUBLE ESTATE AUCTION

Sunday, April 28th at 9:30 am

Preview Day of Sale at 8 am Until Sale Start

Located at the Quality Inn & Suites

Just Off Exit 23, I-88, Schoharie, NY

We will be selling the contents of an early Schoharie County farmstead estate (A home no one has lived in for many years - name withheld upon request), along with a nice Schenectady County estate.

**Highlighting this sale:** Several room size oriental carpets, vintage and contemporary oak, pine and mahogany furnishings, collection early toys, primitives, Frigidaire automatic washer, Maytag automatic dryer, early farm magazines and paper goods, 2 beautiful bear skin coats, clocks, signs, Victorian glass and china, early drug store glass front cabinets, early apothecary bottles w/labels, collection Swarovski figures, Troy Bilt 2410 storm snowblower w/electric start (like new), Craftsman M250 self propelled lawn mower (like new), Troy Bilt self-propelled 21" rotary mower (good), along with loads of interesting items all fresh to market.

Please check online at AuctionZip @10100 for listing and pictures

**Terms:** Cash, Check or Credit Card. 12% Buyer's Premium w/Check or Cash 15% w/Credit Card. Phone & Left Bids Accepted. Breakfast, Lunch & Refreshments Available.

**Advance Notice:** Sunday, May 5th - Super Schenectady County doctor's estate auction featuring the furnishings of a packed full grand old Victorian home including a 2023 red Honda CRV with only 6,600 miles (sunroof and all the bells and whistles) selling with absolutely no reserve!

**Medicare Fraud Defined** - Medicare fraud occurs when someone knowingly deceives Medicare to receive payment when they should not, or to receive higher payment than they should. Committing fraud is illegal and should be reported. Anyone can commit or be involved in fraud, including doctors, other providers, and Medicare beneficiaries. A provider is committing fraud if they:

- Bill Medicare for services you never received
- Bill Medicare for services that are different from the ones you received (usually more expensive)
- Continue to bill Medicare for rented medical equipment after you have returned it
- Offer or perform services that you do not need in order to charge Medicare for more services
- Tell you that Medicare will pay for something when it will not
- Use another person's Medicare number or card

**Reporting Medicare Fraud** - If you think there is something wrong with a bill for a Medicare service, call your doctor, provider, or the facility first to check if there was an error. You may want to speak to the billing department as well. If you are still concerned and have Original Medicare, you can contact the Medicare Administrative Contractor (MAC). The MAC is the company that processed your Medicare claim, and their information can be found on your Medicare Summary Notice (MSN). Alternatively, you can call 1-800-MEDICARE (633-4227). If you are still concerned and have a Medicare Advantage Plan, contact your plan directly. Your plan's phone number should be on the back of your benefit card and on your Explanation of Benefits (EOB). To report fraud, contact 1-800-MEDICARE (633-4227), the Senior Medicare Patrol (SMP) Resource Center (877-808-2468), or the Inspector General's fraud hotline at 1-800-HHS-TIPS (447-8477). Medicare will not use your name while investigating if you do not want it to.

Featuring three bedrooms and one bath. This home offers a one-car garage space on the lower level and plenty of space in the back yard.....**\$219,000**

# LAWN & GARDEN

## Eco-friendly lawn care can be easy

Homeowners know that a healthy lawn can add considerable curb appeal to a property while giving residents of the home a place to relax and enjoy the great outdoors. But few might know that a healthy lawn can also benefit the environment, especially when homeowners take a proactive approach to lawn care that emphasizes eco-friendly techniques.

A proactive approach to lawn care can prevent certain problems, including disease, insect infestation and weed growth. When such problems arise, many homeowners opt to combat them with pesticides, which can harm the environment. But a proactive approach to lawn care can reduce the likelihood of developing such problems and protect the planet at the same time.

- Emphasize healthy soil. Healthy soil promotes strong roots, which leads to

a more robust, lush and aesthetically appealing lawn. While a lawn needs to be fertilized in the spring and at various points throughout the summer, it's important that homeowners avoid overfertilization, which can create thatch that, when allowed to thicken, will prevent nutrients from penetrating the soil. Lawns need more nitrogen, phosphorous and potassium than soil can typically provide, so fertilizing throughout the warm weather seasons and into early fall can promote a healthy lawn. But choose a slow-release fertilizer so it gradually feeds the lawn. Compost and grass clippings can also be spread around the lawn to promote healthy soil. The pH level of the soil should also be checked to ensure the lawn can fully absorb nutrients. Speak with a local lawn care professional to determine what a healthy pH level is for soil in your area.

- Choose a grass that can thrive in your climate. Though you might prefer the look of a certain grass, choosing a grass based entirely on appearance is a mistake that could cost you money and prove harmful to the environment. When installing a new lawn, opt for one that's suitable to the local climate. Installing a lawn that needs substantial amounts of water in a region known for drought can rob the lawn of its aesthetic appeal and will cost homeowners a substantial amount of money to maintain. If an existing lawn struggles to stay green regardless of your best efforts, then consider replacing it with a new type of grass that might be more suited to the local climate.

- Don't cut too low when mowing. Homeowners who don't enjoy mowing their lawn might be tempted to simply cut the grass as low as possible to extend the intervals between cuts. But the United States Environmental Protection Agency recommends that grass never be cut more than one-third of the height of the grass blades. Longer grass can take in more sunlight, allowing it to grow in thicker and develop a deeper root system. That deep root system can help a lawn survive drought and prevent disease, two potentially costly problems that often force homeowners to embrace solutions that are not eco-friendly. Ideal lawn height depends on the type of grass, so consult a lawn care professional to ensure you are cutting your grass to a healthy length.

- Avoid overwatering. Excessive watering not only wastes water, which is not very eco-friendly, but also hurts the lawn when dry periods inevitably arrive. That's because shallow and frequent watering encourages roots to stay near the surface, so when dry periods arrive, the roots struggle to find water. The EPA notes that an established lawn should not need daily watering. Instead, watering responsibly when the lawn needs water and when evaporation can be kept to a minimum, can strengthen a lawn and do so in an eco-friendly way. GT144076

**Spring Is Here!**

**SERVICING AND REPAIRING all hand-held outdoor power tools**  
**All Makes And Models**  
 • Weedeaters • Edgers • Leaf Blowers • Mini Tillers • Hedge Trimmers • Chainsaws
