## The importance of routine vehicle maintenance

Owning a car is a big responsibility. Drivers who plan to keep their vehicles for the long haul must emphasize maintenance if they want to keep adding miles to their odometers. In fact, the automotive information site CarAdvice says that routine maintenance may be the most important thing drivers can do for their vehicles.

A vehicle needs consistent care if it is to run efficiently. Maintenance also reduces the risk of roadside breakdowns and costly repairs. Here's a look at some of the benefits of staying on top of maintenance.

- **Saves money:** Even though maintenance costs money, sticking to a consistent maintenance schedule can save big bucks in the long run. For example, the cost of rotating and aligning tires is considerably less than repairing a car after a major blowout and paying for a tow and tire replacement.
- **Improves performance and efficiency:** Routine maintenance includes oil changes, filter changes and fluid top-offs. Such tasks keep engines running smoothly. Ignoring this routine maintenance can put engines in jeopardy of breaking down and adversely affect vehicle performance, diminishing fuel economy and leading to a sluggish ride.
- **Identifies safety issues:** Routine inspections and work performed by reputable service stations help drivers stay abreast of recalls or issues that can affect the safety of the vehicle.
- **Maintains a maintenance record:** When the time comes to sell the vehicle, having a log of routine maintenance indicates to potential buyers that the vehicle was well cared for.
- **Keeps compliance:** Vehicles covered under manufacturer's warranties typically need to be maintained in adherence to factory-recommended maintenance schedules. This ensures that the vehicle is in compliance and will be covered in the event of a warranty claim.

Routine vehicle maintenance is important for a variety of reasons. Drivers can work with a trusted and reliable mechanic to develop a schedule that keeps their cars and trucks on the road. FC19A290
