Word Of The Day – dil-ly-dal-ly: waste time through aimless wandering or indecision

Fun Fact – The British government coined the slogan “Keep Calm and Carry on” during World War 2 to motivate citizens to stay strong. Posters with the slogan were printed but never officially issued and were only unearthed in 2000.

Laughter Is Good For The Soul

- Did you hear about the cleaners who went to space? They ended up scrubbing the mission.

- Did you hear about the octopus that held up a bank? It was an armed robbery.

MEDICARE REMINDER

Medicare Savings Program income and asset limits

Each state can set different eligibility requirements for the Medicare Savings Programs (MSPs), within limits set by federal law. This means that states can have higher income and asset limits, and can have more generous rules for how certain types of income and assets are accounted for. It is important to know that many states require you to apply for any money you might be eligible for, including Social Security retirement benefits, in order to qualify for an MSP.

Assets are resources such as savings and checking accounts, stocks, bonds, mutual funds, retirement accounts, and real estate. In any state with an asset limit, certain resources are never counted in determining eligibility for MSPs. These include:

- Your primary house
- One car
- Household goods and wedding/engagement rings
- Burial spaces
- Burial funds up to \$1,500 per person
- Life insurance with a cash value of less than \$1,500

Some states may exclude other types of assets as well.

MSP income and asset requirements in most states are close to the federal limits. For 2025, these are listed in the Medicare Savings Program financial eligibility guidelines flier. Remember that some states have higher or no MSP asset limits*. Call your local Medicaid office or State Health Insurance Assistance Program (SHIP) for more information about MSPs in your state.

* Alabama, Arizona, Connecticut, Delaware, Louisiana, Mississippi, New Mexico, New York, Oregon, Vermont, and the District of Columbia do not have asset limits for MSPs (as of January 2025).

Reminder The Parkinson Support Group meets on the second Tuesday of every month, at 1PM. The next meeting will be on September 9, 2025, at The Gathering Place, 127 Kenyon Rd. Cobleskill, 12043.

Schoharie County Office for the Aging invites you to: Join our Caregiver Support Group “Life Chat” on Wednesday, August 27th, at 1:00 PM for our monthly meeting where we will share life events and caregiving. This month we will present “Trualta” Trualta is an online evidence-based caregiver training and support platform packed with educational resources, planning tools, and tips to help families build skills to manage loved ones of any age. Come Join and learn how to navigate the Website with Lenore. The Gathering Place, 127 Kenyon Road, Cobleskill, N.Y. Door prizes and light refreshments will be available. Questions or to RSVP contact Lenore Tsami at 518-295-2001.

AARP Defensive Driving Class will be held September 12, 2025, from 9:00 AM to 4:00 PM. Course fee \$25.00 AARP Members, \$30.00 Non-AARP Member. Payment by check or Money Order Only made out to AARP. **No Cash** payments will be accepted. Bring your Driver’s license & AARP Card if you are a member. There will be a 30-minute lunch break. Please arrive a few minutes early for the registration process. Registration Required 518-295-2001.

Did you know? Brain Freeze: The scientific term for brain freeze is phenopalatine ganglioneuralgia. It occurs when something cold touches the roof of your mouth, causing blood vessels to constrict and then rapidly dilate.
