The process will be very similar to last year; a drop off appt, copies and intake left here for volunteers to complete, and then a pick-up appt to review and approve for e-filing. Appointments will be made for a February 3rd start date. Please note we have screening questions we must ask everyone. Thank you for your patience. For an appointment call 518-295-2001.

Medicare Advantage Open Enrollment Period: You can switch from your Medicare Advantage Plan to another Medicare Advantage Plan, or to Original Medicare with or without a stand-alone prescription drug plan (Part D), during the Medicare Advantage Open Enrollment Period (MA OEP). The MA OEP occurs each year from January 1 through March 31. Remember, you can only use this enrollment period if you have a Medicare Advantage Plan. Changes made during this period take effect the first of the month following the month you enroll. For example, if you switch to a new Medicare Advantage Plan in February, your new coverage begins March 1. Unlike Fall Open Enrollment, you can only make a single change during the MA OEP.

HEAP Applications for adults over 60 years old can be picked up at the Office for the Aging or you can call to have one mailed to you. 518-295-2001.

AARP Defensive Driving Classes will resume in April 2025.

CONSIDERING AN APPEAL

Appeals may be the place for you if all the following apply:

- You received a letter from the IRS explaining your right to appeal the IRS's decision
- You do not agree with the IRS's decision
- You are not signing an agreement form sent to you

If all of the above are true, then you may be ready to request an Appeals conference or hearing. To decide if you should appeal your tax dispute, consider the following. If you believe the:

- IRS made an incorrect decision based on a misinterpretation of the law, check the publications discussing your issue(s)
- IRS didn't properly apply the law due to a misunderstanding of the facts, be prepared to clarify and support your position
- IRS is taking inappropriate collection action against you or your offer in compromise was denied and you disagree with that decision, be prepared to clarify and support your position

Facts used by the IRS are incorrect, then you should have organized records or other evidence to support your position. In addition to the ordinary appeal process, we offer mediation programs that can more quickly resolve disputed issues.

Appeals isn't for you if any of the following apply:

- The correspondence you received from the IRS was a bill and there was no mention of an appeal

You didn't provide all information to support your position to the examiner during the audit

Your only concern is that you can't afford to pay the amount you owe

If you don't meet the conditions above for having your case enter the Appeals process, contact the IRS employee you have been working with or call for assistance in identifying the correct IRS employee to contact.
