CHENANGO COUNTY FAIR

The Annual Chenango County Fair

As an agricultural society, we hold an annual fair to display and promote livestock, agricultural products, and exhibits of youth and open classes. ground use and shows held on the exhibition grounds.

Lewis Brice
Nashville recording artist with October

Rose Instead of the "Broadway scene" Brice cut his teeth in making trips to Key West, FL where he could play his original music and people would stop and listen. There he learned how to read and work a crowd while honing his craft as a performer.

Brice started making substantial waves in the industry with 2010's "Ordinary Girl." He competed on CMT's Can You Duet? snagging a top ten spot after beating thousands of his fellow music-

makers. He took the lead role in brother, Lee Brice's "I Drive Your Truck" music video and took home a British CMA Award for "International Song of the Year" for his heartfelt song "Blessed." With more outstanding original tracks such as, "It's You (I've Been Looking for)" "Summertime Vibes," Messin with my mind" and "Call Me Yours," Brice has surpassed over Fifty Million streams across the digital platforms. Prepare for a family day at the fair

County fairs, state fairs and country fairs dot the landscape in late spring, summer and fall, offering fairgoers plenty of attractions and rides to fill warm days and evenings. Families who plan ahead for the festivities may be able to improve their experiences.

- **Purchase passes in advance.** Some fairs enable visitors to purchase entry tickets, parking passes and even game vouchers online. There are advantages to doing so, such as bundling discounts. Buying tickets in advance also cuts down on time spent waiting in line.
- **Devise a basic plan.** Look over the list of attractions and activities to gauge what you want to get out of the fair. Some fairs post their calendars online. With kids in tow, you'll likely want to check out any children's rides or animal exhibits and interactions. Create a generalized plan, but be flexible, especially when going with other families.
- **Think about safety.** Fairs attract thousands of people and that can lead to confusion if children become separated from their parents. Write your mobile phone number down and put it in your child's pocket or bag, so he or she doesn't have to memorize it. Consider finding the tallest attraction at the fair (perhaps the ferris wheel), and make that the meeting point if anyone becomes lost. Snap a photo of youngsters when you arrive so that you'll have a recent image and know exactly what they are wearing if you need to engage law

enforcement. Some parents tell their children to find another parent and ask them to help them contact security.

- **Time your visit.** If the fair runs during the week and into the weekend, weekdays are likely to be much less crowded. Also, while not ideal, a cool day or one with a slight drizzle will cut down on crowds and improve the ability to see more things and get on more rides.
- **Factor in food.** Fair food is an indulgence to enjoy when fairs come around. Rather than go overboard, pick one meal or item that the family will enjoy. Bring a backpack, if permitted, and fill it with bottled water and other light snacks so that you can tame hunger pangs and not bust the budget at the food court.
- **Understand game odds.** Fair games are largely designed to earn the event money and not to cash out prizes to all participants. The chances of winning the grand prize, which may be a giant stuffed giraffe, usually are low, so it's best if children do not become overly concerned with winning a prize. Play the games for fun and memories and not to walk away with the biggest prizes.

In addition to these suggestions, parents can make sure they bring insect repellent and sunscreen to the fair. Dress for comfort and not fashion. These strategies can help families make the most of the county fair this year. TF227138

ChenTAC Chenango Threat Advisory Committee

WHO WE ARE

The formation of ChenTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. ChenTAC takes effective proactive and protective measures that are designed to prevent, not predict, potential acts of targeted violence and terrorism. Through identifying and managing potential threats, ChenTAC provides alternatives to investigation and /or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

With the support of the Chenango County Sheriff's Office, ChenTAC is a multidisciplinary team comprised of businesses, schools and colleges, social service agencies, mental health professionals, faith based organizations, community resources and local and state law enforcement. Collectively, we convene as a confidential group to identify, assess and manage potential threats of targeted violence.

IMPORTANT DEFINITION

Targeted Violence is premeditated violence and is usually directed at a specific individual, group, or location. A perpetrator of targeted violence is typically responding to a perceived grievance or acting on behalf of a particular ideology.

Targeted Violence is different from impulsive, reactive, or emotional acts of violence. Some examples of targeted violence are school shootings, workplace violence, domestic violence, stalking, and terroristic attacks.

WHEN TO CONTACT ChenTAC

If you become aware of someone exhibiting concerning behaviors, or threatening a person, group or entity, ChenTAC is available to help. Contact our report line at (607) 334-2000 or go to chenangosheriff.us and click "Crime Tip". If you have concerns of imminent danger, call 911 immediately.

See Something, Say Something YOUR ROLE IS IMPORTANT

ChenTAC is relying on you, our biggest asset, to help identify potential threats. Without participation from members of the public, we can not identify ways to assist those who need us or protect our community.
